<b>Bonus for participation in all events held</b> (→ if enrolled as an competitor/team in Cup 2 and/or Cup 3, the bonus is reduced to 720 € because the registration fee is lower).	<b>-</b>	<b>800,00 €</b>	<b>800,00 €</b>

If the applicant ticks "Combination Driver + Competitor/Team" on page 2 and fills in all details of the competitor/team and driver, the corresponding competitor/team registration in combination with the driver registration will be discounted by € 300.00 on a pro rata basis. (1.600 € + 500 € = 2.100 € → 2.100 € - 300 € = 1.800 €)

Competitors/teams who enroll in the Porsche Endurance Trophy Nürburgring (Cup 2 + Cup 3) will receive a 10% discount on the competitors/team registration fee:

**Competitors/team registration fee (Cup 2 / Cup 3):** 1.600 € - 160 € = 1.440 €

**Combination competitors/team & driver registration (Cup 2 / Cup 3):** 1.440 € + 500 € = 1.940 € - 300 € = 1.640 €

The provisions and regulations of the Nürburgring Endurance Series **2023** Sporting Regulations in Part 1 Article 7 "Registration for the Nürburgring Endurance Series" and Article 7.1 "Registration Fee", and in Part 3 Organisational Regulations Article 3 "Services upon registration in the Nürburgring Endurance Series", as well as any supplements and bulletins issued in this respect, shall apply.

For the Cup / Trophy classifications organised within the framework of the Nürburgring Endurance Series, the registration conditions of the respective Cup / Trophy also apply.

#### Note:

- The **registration of a driver** is linked to the corresponding driver licence number.
- The **registration of a competitor/team** is linked to the start number of the registered and used vehicle in the corresponding vehicle class and is only valid for this vehicle class.

- The **change of an originally registered / used vehicle** during the current season is only possible within the originally registered vehicle class and to a vehicle of the same construction / type (= identical). In these cases, the registered competitors/teams must notify the VLN VV of the change of the originally registered/used vehicle in writing, using the application form below. In the event of a **change of the competitor/team name** during the season, this must also be submitted to the VLN VV as described above. The corresponding change must be notified in writing to the VLN VV in good time, but **at the latest by 9 p.m. on the day before the race**, before the event in question. If there is no written notification, a subsequent allocation of points is not possible. → see [„Änderung Einschreibung Bewerber/Team-Name u. Fahrgestell-Nummer“](#)
- The **submission of the registration** is possible **until the 31th of March 2023**.
- **In case of simultaneous submission of a competitor/team registration and driver registration, one registration form must be used, otherwise a separate registration form must be completed for each registration. (Note: The driver registration is not bound to a vehicle).**
- The VLN may refuse to accept a registration, giving reasons.
- The registrations will be processed in the order of the date of receipt.
- **Only registrations for which the registration fee has been received are valid and will be processed.**
- A registration is only binding after receipt of payment of the registration fee and written confirmation by the VLN.
- **Only registered drivers and competitors/teams can participate in the cup, prize money and non-cash prize classifications in the organised competitions of the Nürburgring Endurance Series.**
- The driver and / or competitor / team may cancel the registration at any time. A refund of the registration fee will not be made in these cases, not even on a pro rata basis.
- Results of events (championship races) before receipt of the registration and the registration fee will not be taken into account.

The drivers and/or competitors/teams will receive a written confirmation of receipt by e-mail after receipt of their registration. The dispatch of the confirmation of registration as well as of the tickets will take place after receipt of the registration fee(s).
