

Adjustment of registration competitor/team name & vehicle identification number **2024**

Please tick if you wish to make an adjustment to the **competitor/team name** or **vehicle identification number** of your registration.

Adjustment of competitor/team name compared to registration:

Note: Please note that an adjustment of the competitor/team name can only be requested in special cases, e.g. in case of a change of the applicant's licence during the season. The VLN reserves the right to reject applications. **A maximum of 2 (two) applications are possible per season, stating a reason. Further applications will only be approved by the Head of Sport in exceptional cases.**

In accordance with "7. Registration in the Nürburgring Endurance Series, Part 1 - Sporting Regulations", we hereby request the adjustment of the **competitor/Team name** based on the following data:

Start-No:		Vehicle manufacturer and type:	
-----------	--	--------------------------------	--

OLD (Please fill in the previous data of the competitor/team registration):

Company:		Competitor Lic-No.: (if available):	
Competitor/Team:			
Street:		ZIP/City:	

NEW (Please enter the new data of the competitor/team registration):

Company:		Competitor Lic-No.: (if available):	
Competitor/Team:			
Street:		ZIP/City:	

Adjustment of vehicle identification number compared to registration:

Note: It should be noted that an adjustment of the vehicle identification number can only be applied for in special cases, e.g. if the vehicle previously used has had such a severe accident that it can no longer be used in future races. The VLN reserves the right to reject applications. **A maximum of 2 (two) applications are possible per season, stating a reason. Further applications will only be approved by the Head of Sport in exceptional cases.**

In accordance with "7. Registration in the Nürburgring Endurance Series, Part 1 - Sporting Regulations", we hereby request the adjustment of the **vehicle identification number** based on the following data:

OLD (Please fill in the previous data of the competitor/team registration):

Start-No.:		Vehicle identification number:	
Vehicle manufacturer:		Vehicle type:	

NEW (Please enter the new data of the competitor/team registration):

Start-No.:		Vehicle identification number¹:	
Vehicle manufacturer:		Vehicle type:	

¹ **New vehicle identification number:** Please note that a change of the originally registered/used vehicle is only possible if the vehicle is identical in construction/type and is used in the identical class as before!
