Nürburgring 1927 GmbH & Co. KG / Otto-Flimm-Straße / 53520 Nürburg

ENVIRONMENTAL PROTECTION INSTRUCTIONS FOR RACING TEAMS

WATER AND SOIL CONSERVATION

- Prevent oil and fuel from leaking and store such substances environmentally compatible.
- If environmentally hazardous substances are spilled, remove them with oil absorbent substances or cleaning rags.
- Report hazards to humans and the environment immediately to Nürburgring 1927 GmbH & Co. KG (tel. 02691/302-4217) or to the organiser.

WASTE DISPOSAL

- Sort your waste according to the waste containers that have been set up.
- Dispose of especially hazardous waste into the provided containers:
 1. Used oil into the tank container of the red used oil depots
 2. Solid oil waste such as oil filters and cleaning rags into the red waste bins

NOISE AVOIDANCE

- Avoid unnecessary noise with your vehicles in the interest of Nürburgring residents (especially in the evenings after races).

WATER AND ELECTRICITY CONSERVATION

- Please reduce car washes and other water consumption as well as energy consumption as much as possible.

Thank you for your cooperation.
